

# MY PORTFOLIO

## About

**H**ello! I am **Vaishnavi**. I am studying in the 8th semester at JNNCE, Shimoga. I am currently doing my internship in Java Full Stack Development at Cloud Institutions, Bangalore.

## My Photo

## Skills

I have knowledge in Java, Python, HTML, CSS, JavaScript, AIML, SQL, MS Excel, Tableau, LaTeX, Data Visualization, Data Structures, DevOps, Cloud, and DBMS.

## Education

I am currently pursuing my final year (8th semester) of engineering at JNNCE, Shimoga. **My CGPA is 9.04.**

I have completed my Pre-University Course (PCMB) in the year 2020-22.

## Hobbies

My technical hobbies include coding, building small web applications, exploring new technologies, and practicing data analysis. I am also passionate about Classical Dance.

### My Career Goal

*My career goal is to become a software engineer and develop web applications while continuously improving my programming skills.*

### My Inspiration

*I am inspired by technology and how it solves real-world problems. Learning programming motivates me to create useful applications that make people's lives easier.*

## My Favorite Audio

## My Favorite Video

I am highly passionate about continuous learning and self-improvement.

I enjoy solving real-world problems using technology and innovation.

*I believe consistency and dedication are the keys to success.*

**I aim to become a skilled Full Stack Developer and contribute to impactful technology solutions.**

## Project Highlight (Translate Effect)

### Crop Recommendation System

Machine learning model that recommends crops based on soil and climate conditions.

### Parkinson's Disease Prediction

AI model that predicts Parkinson's disease using biomedical voice measurements.

## Profile Badge (Position Example)

Portfolio Owner: Vaishnavi

## Skill Cards (Flexbox Layout)

- Java
- Python
- HTML
- CSS
- JavaScript
- SQL

## Interactive Portfolio Cards (Transition & Transform)

- About Me**  
Final year Engineering Science Information student passionate about Full Stack Development.
- My Skills**  
Experienced in Java, Python, HTML, CSS, JavaScript, SQL, and Machine Learning.
- My Projects**  
Developed Crop Recommendation System and Parkinson's Disease Prediction models.

## My Skills Animation

Java Developer
